DETAILED ACTION

Remarks

1. In response to communications files on December 13, 2006. Claims 34-43 and 45-54 are amended by applicant's request. Therefore, claims 33-54 are presently pending in the application.

Reasons for Allowance

2. Claims 33-54 are allowed
3. The following is a statement of reasons for the indication of allowable subject matter:
the prior arts of records, neither anticipates nor renders obvious the following limitations as claimed:

As to claims 1 and 44, the prior art of records fail to anticipate or suggest first using said computer-based processing tool to access said communication and convert at

least a term of said first communication between said first semantic environment and a second semantic environment that is different from said first semantic environment, said term comprising a portion of said content;

second using said computer-based processing tool to associate a classification with one of said first term and said converted term of said communication, said classification identifying said one of said first term and said converted term as

Art Unit: 2164

belonging to a same class as at least one other term based on a shared characteristic of said at least one other term and said one of said first term and said converted term; and

third using said classification to process said electronic communication under consideration, together with the other limitations of the independent claims.

Art Unit: 2164

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Belix M. Ortiz whose telephone number is 571-272-4081.

The examiner can normally be reached on Monday-Friday 9am-5pm.

The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
